

BE A PART OF THE
STM SCHOOL DIRECTORY

Parents of St. Thomas More School,

The Home and School Committee is working on this year's school directory.

We need to have permission from your family to access information in the school's computer. If your family has separate households, please fill out a separate form for each home. You can get extra forms from the school office.

I give the Home and School Committee permission to access my family's information from the school computer to be included in the school directory.

Signature _____

Printed name _____

Please mark the information you would like to have printed in the directory.

____ family last name

____ father's cell phone

____ children's names

____ family email address

____ home address

____ home phone number

____ mother's cell phone

If any of the above information has changed within the last 6 months, please provide the most current information under the category listed. We need the directory to be as accurate as possible.

If we do not have a signed permission form from your family, then your family's information will NOT be printed in the directory.

Please return this form to the school office as soon as possible, but no later than Friday, October 16, 2009. Thanks for your help and support.

Please contact Julie Lewer (942-7344) or Sara Moriarty (943-8579) with any questions.
